

Time Poems

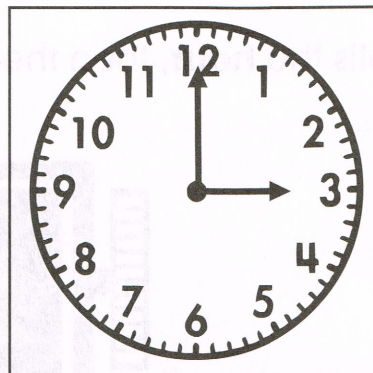

Read each poem.

Draw a line to the clock that matches.

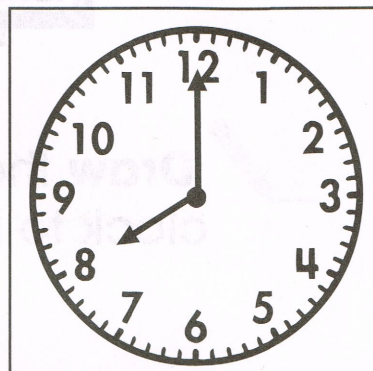

A. It is 8 o'clock.

Now dinner is done.
Time for homework
And then some fun.

B. It is 11 o'clock,

And I am in bed
With a pillow
Underneath my head.

C. It is 3 o'clock.

We are out the door
To run and play,
Then play some more.
