

## Pattern Maker

CUT OUT the shapes from the top of page 135, and PLACE them to finish each pattern.

|                                                                                     |                                                                                     |                                                                                      |                                                                                       |
